

Charcoal Cleansing Powder

Yields: 27 grams of cleansing powder

Phase A

19g	Kaolin Clay
7g	SCI
1g	Charcoal Powder

Method:

1. Grab your coffee grinder, gloves, plastic spoons, scale, plastic wrap, and dust mask.
 2. Put on your dust mask. Weigh out Phase A in separate glass prep cups. One for each ingredient.
 3. Weigh out Phase A in separate glass prep cups. One for each ingredient.
 4. Add all ingredients into the coffee grinder. Put a layer of plastic to make the capacity small.
 5. Let the powders sit in the coffee grinder for at least 8 minutes.
 6. Spoon the powder into the packaging.
- I recommend adding it to a large tin.

To use:

First, open the tin. Measure out one teaspoon of the powder and put it aside. Wet your hands. Carefully, pour the powder onto your hand. Slowly put your hands together to wet the powder. Apply it to your face and wash like normal.

ds and face with water.

der, rub your hands till it foams.
